And her life was torn to shreds.

Untitled Document

That night two years ago,

her life was torn to shreds.

that box of blue she touched,

and her life was torn to shreds.

The world was burning,

and her life was torn to shreds.

All the fights and death,

and her life was torn to shreds.

The lies to loved ones,

and her life was torn to shreds.

Now tell me.

What is a life that is torn to shreds?
